

## WSB-TeamCup-5000 Regulation 2024

**This cup is held with a minimum participation of three teams.**

### Registration

Form a team (but has nothing to do with the long-distance team) of at least 2 members up to a maximum of 8 members and simply report this to us by email ([office@wsb-sport.at](mailto:office@wsb-sport.at)) as follows:

- Team name:
- Team boss: (he is also the contact person for the entire team for us)
- Member 1:
- Member 2:
- etc. to Member 8:

but this team registration does NOT replace the normal registration for an event !! Each team member has to book this for himself.

A new team registration is possible until April 1st, 2023, but a subsequent change of team members is no longer possible.

The only exception is: long-distance races are not taken into account here, only the sprint races.

### Points

All team members have to be registered for the WSB-Cup (600, 750, GP, Stock1000, Lady, Boxer, because only these points count.

You then drive your WSB Cup rating all year round (or as often as you want). At the end of the year, ALL points are added up by each team member and added to the team.

### Prize money

The team that collects the most points together wins the fabulous € 5,000.00 for the team. This prize money is then credited equally to all team members as prize money. There is also a large team trophy and one for each team member. Year-round free riders are excluded from winning prize money.

### Media rights assignment

With his signature on the waiver, the driver declares that he agrees that photo and video material may be used by himself and his relatives, by WSB-SPORT and its partners (photos, videos at WSB-SPORT events, homepage, Facebook, etc.)
