- Team name:
  - Team start number:
  - Team manager: (who will also be our contact person for the entire team)
  - Driver 1:
  - Driver 2:
- (etc.)

Team registration does not replace individual registration for an event! Each team member must register for the respective event independently.

Team registration is possible until 31 March 2026. After this date, no changes to the team composition will be permitted.

## Points and prize money

Only points scored by officially registered team members in WSB-Cup races (600, 750, GP, Stock 1000, Ladies, Boxer) will be counted towards the team classification.

At the end of the season, the points scored by all team members in the individual WSB-Cup races are added together. The sum of these points determines the overall result of the respective team in the team classification.

The team with the highest total number of points at the end of the season is declared the winner of the team classification and receives prize money of €5,000. This prize money will be distributed equally as prize money credits to all eligible team members.

In addition, the winning team will receive a team trophy and individual trophies for each of its riders.

Riders who ride for free all year round are excluded from participating in the prize money distribution.

The prizes are non-transferable and will not be paid out in cash.
